

TWIN BIT KIT

Beautifully machined double-sided bit kit. Made in Germany.

Kit contains 30 double-sided bits. 60 in total. Most common bit sizes when working. Saves time as you do not need to consult multiple kits to find the right size.

Kit includes:

- Hex: Size 3-6mm
- Square: Size 0-3
- PH: Size 1-3
- PZ: Size 1-3
- T: Size 10-40
